"The info and concept are very good. The writing is concise and the overall length is great...it's a really good project."

--Brett E. Chambers, award-winning producer/director and educator

You are powerful beyond comprehension!

You are formally invited. Accept *The Invitation* because the life you want wants you!

The Invitation offers a way to reconnect with spirit. It is a valuable contribution to the work of so many others who are striving to help us improve our relationship with self and, therefore, with everyone else. It is an instruction book for the human spirit on how to consciously allow this most powerful force to create the life you want through ALIGNment (ATTRACT THE LIFE YOU WANT BY INVITING GRACE NOW).

Make *The Invitation* part of your daily ritual and you're guaranteed to live an amazing life!

About the Author

Karyn Pettigrew is an intuitive business and professional mentor, author, motivational speaker, teacher and owner of KPConsulting - a firm that is pioneering the **Intuitive Alignment Method**©. The IAM method gets below the surface, to the root cause of a client's ineffectiveness and opens a doorway to the successful manifestation of their vision. A graduate of Wellesley College and Harvard Business School, Karyn currently sees clients for private consultations and corporate consulting. Karyn believes that each of us can serve as a role-model for positive change in the world by changing our perspective, bringing about dramatic improvement in our lives and our environments.
